Minturn Saloon

Built in 1901, the legendary Minturn Saloon is the unofficial end of the Minturn Mile and the reason that, on any give night in the middle of winter, you will find innumerable skis and snowboards lining the outside of The Saloon. Expertly crafted margaritas served next to a crackling fire and renowned memorabilia collection reward a day successful day on the mountain. Try this Natural Margarita, created with all-natural ingredients sans additives or preservatives. At 140 calories, it's about half the calorie count of its margarita counterparts.
